WELCOME TO THE

Calvary Curriculum's *Little Ones* CURRICULUM

After creating the "CC Children's Curriculum" (1st - 6th grade), we became aware of the need for a preschool curriculum that would:

1. Be a support to the Children's Ministry teacher by supplying helpful materials.
2. Reach the heart, not just the mind, of 3-6 year old children.
3. Relieve the financial burden of purchasing Bible curriculum.

We believe that young children can understand that God loves them, can learn how to respond to Him, and can oftentimes internalize a Biblical truth if it is communicated in simple terms.

We have been using the "Little Ones Curriculum" and have been very pleased with both the children's and teachers' responses. We hope you, and the children you disciple, will be blessed as well.

The entire curriculum, to date, consists of 53 lessons alternating periodically between the Old and New Testaments. The focus is not on the chronological order, but rather to implant Biblical truths in these little ones' hearts and minds, that they may grow in the grace and knowledge of our Lord Jesus Christ.

The materials included in each lesson are the:

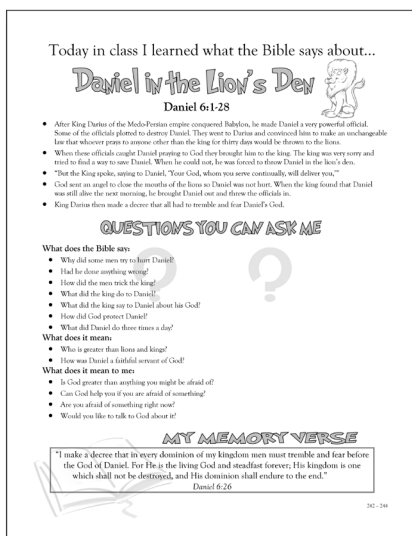

1. Bible study page (ages 3 - 6 yrs.)

The Bible study "take home" page contains a summary of the Bible story for that day's lesson and a series of questions that the teacher can ask the child by way of review.

The questions are in 3 categories:

- a. What does the Bible say? (Facts)
- b. What does it mean? (Meaning)
- c. What does it mean to me? (Life application)

One of the purposes of the Bible study "take home" page is to acquaint the parent with the lesson their child was taught that day, and to provide them with questions to ask their child. The teacher and parent can decide the most age-appropriate questions for the child.

In addition to the Bible, we suggest the use of:

The Child's Story Bible by Catherine F. Vos

Wm. B. Eerdmans Publishing Company

ISBN 0-8028-5011-1

This book can be purchased at www.Christianbook.com OR
www.amazon.com for around **\$20.99**.

This is a time-tested Bible storybook directed to children that is true to the Bible in content. The language is easily understood by children, but it edits sections that are outside the realm of a child's experience.

Some teachers choose to teach the day's lesson by reading from "The Child's Story Bible" in their class. We think a better approach is to have studied from the Bible and The Child's Story Bible, then to tell the Bible story, complete with voice inflections and an open Bible on their lap. The lower right corner of the Bible study page lists the pages that the story can be found in "The Child's Story Bible".

Because "The Child's Story Bible" is written in words that children can easily comprehend, it gives the teacher an example (*model*) of how the lesson can be presented in a way that the children will best understand. When telling the Bible story, we would also suggest using a visual, such as flannelgraphs or Bible flash cards. (*See Other Resources below*) We also use very simple crafts for the 4's that volunteers make for the classes weekly. (We find that in the 5's and 6's, activities are enjoyed more than crafts.) The teacher can "individualize" the lesson as the Lord leads. How the lesson is ultimately presented is up to the discretion of the teacher and the leading of the Holy Spirit.

In addition to the Bible & The Child's Story Bible, we also suggest the use of:

Read and Share - DVD Bible

These are among our favorites Bible DVD's because they do not stray from the Bible story as a whole. These DVD's are straight from the pages of "Read And Share Bible" by Gwen Ellis, these animated DVD's combine an enchanting art style with warm narration and gentle musical underscore to transport kids back to Biblical times. These are 3-minute bite-sized vignettes and are perfect for the attention span of little ones!

With the purchase of all 2 DVD set you will have 41 of the 53 Bible studies found in the "Little Ones Curriculum". When you view the LOC schedule you will see the appropriate video next to the Bible Story as seen below.
