RESOURCES SHOWN ON SCHEDULE

YOU CAN USE WITH THE *LITTLE ONES CURRICULUM*

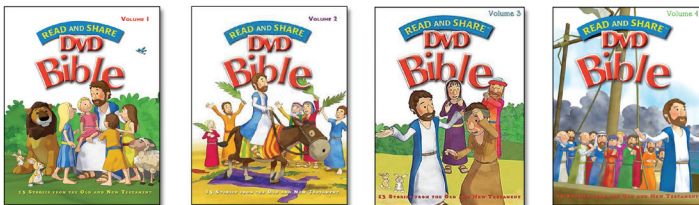

THE CHILD'S STORY BIBLE by Catherine F. Vos
 Wm. B. Eerdmans Publishing Company
 ISBN 0-8028-5011-1

This book can be purchased at [Amazon.com](https://www.amazon.com) OR [Christianbook.com](https://www.christianbook.com) for around \$25.

This is a time-tested Bible storybook directed to children that is true to the Bible in content. The language is easily understood by children, but it edits sections that are outside the realm of a child's experience.

Some teachers choose to teach the day's lesson by reading from "The Child's Story Bible" in their class. We think a better approach is to have studied from the Bible and The Child's Story Bible, then to tell the Bible story, complete with voice inflections and an open Bible on their lap. The lower right corner of the Bible study page lists the pages that the story can be found in "The Child's Story Bible".

Because "The Child's Story Bible" is written in words that children can easily comprehend, it gives the teacher an example (model) of how the lesson can be presented in a way that the children will best understand. When telling the Bible story, we would also suggest using a visual, such as flannelgraphs or Bible flash cards. The teacher can "individualize" the lesson as the Lord leads. How the lesson is ultimately presented is up to the discretion of the teacher and the leading of the Holy Spirit.

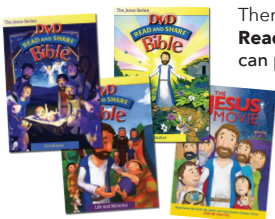

Read and Share - DVD Bible

These are among our favorites Bible DVD's because they do not stray from the Bible story as a whole. These DVD's are straight from the pages of "Read And Share Bible" by Gwen Ellis, these animated DVD's combine an enchanting art style with warm narration and gentle musical underscore to transport kids back to Biblical times. These are 3-minute bite-sized vignettes and are perfect for the attention span of little ones!

With the purchase of the 2 DVD set (*which the LOC schedule reflects*) you will have many of the Bible studies found in the "Little Ones Curriculum". When you view the LOC schedule you will see the appropriate video next to the Bible Story as seen below.

There are also 4 additional feature length **Read and Share - DVD Bible's** that you can purchase.
