

“DRAGONS, DINOSAURS, AND THE BIBLE” DESCRIPTION:

In this engaging and informative presentation we will look at the creatures, known throughout the world in ancient times as **DRAGONS**. Were they merely mythical, or do they have a basis in reality? What is the connection between the dragons of ancient times and the **DINOSAURS** that we find evidence of in the fossil record? Did dinosaurs go extinct 65 million years ago, as evolution teaches, or have dinosaurs always lived with man? And if so, were there dinosaurs on Noah’s Ark? We delve into the **LEGENDS, SIGHTINGS, ARTIFACTS** and **DISCOVERIES** that surround these mysterious creatures and what the **BIBLE**, in overwhelming clarity, says about them.

WHAT TO EXPECT FROM THE EVENT

6:30 - 7:00 : PRE-SHOW

The pre-show is a 30-minute video countdown I have put together that allows for a bit of entertainment as the attendees are coming in and getting seated. Think of it as what you would experience if you arrive early at the theater and you are waiting for the movie to start. There is music, trivia, jokes, guessing games, etc.

7:05 - 8:50 : PRESENTATION

This 1 hr 45 min. presentation (A break can be added) includes 225+ slides, video, & audio (see PAGE 4 for samples) to capture the attention of old and young alike. We address the 2 main reasons that Christians are skeptical about Dinosaurs living with man.

- 1. We are taught that Dinosaurs died out 65 million years ago*
- 2. The word “Dinosaur” doesn’t appear in the Bible*

8:50 - 9:00 : *GIVEAWAYS

**As an option, I can also do a 10 min. raffle ticket giveaway time at the end. The approx. 15 dinosaur/dragon centered giveaways costs about \$250 to purchase.*

WHO IS THIS PRESENTATION FOR?

This fast moving presentation has been designed for the **whole family**, young and old alike. This is NOT JUST a presentation for children.

I generally say 7 years old through 107 years old. **Young children may find the length of the event hard to sit through which is why a built in break is a good option.*

FAQs:

- Is there a Q&A time? **No.**
- Do you address the *Creation Vs. Evolution* debate? **No.**
- Can this event be recorded or live broadcasted? **No.**
- Do you address the *"Six Literal 24hr. Days" Vs. "A Span of Time"* debate? **No.**

**If you would like an elaboration on these answers, or have questions, please contact me.*

REQUIREMENTS & NEEDS FOR THE PRESENTATION:

1. I use and bring my MacBook Pro (2020) computer (*Thunderbolt port*)
2. I need to have access to the Sanctuary/Meeting Room at least **90-120 min.** prior to the doors being opened for setup and sound check.
3. Countryman Mic for my speaking audio (*Handheld won't work*)
4. HDMI Connection for Computer
5. Podium
6. XLR connection for my Whirlwind podDI -or- Focusrite Scarlett 2i2 interfaces (*whichever works best*) for my computer's audio.
7. Two tables for my merchandise (*See PAGE 5*) which are posters, sticker, magnet, and giant coloring pictures. I also have a banner and giant dinosaur cutouts I bring.
- 8 **MOST IMPORTANTLY:** Because my keynote presentation is the star of the night with over 225 slides, video, & audio having a **VERY LARGE screen and HD projector** is extremely important. If your building does not have this there are many places you can rent these two items from. If you need some guidance as to what projector and screen to rent, per the size of your sanctuary, please let me know and I can help.

I understand that good advertisement is key. It is for this reason that **I will provide all the graphics you need (Flyers, Website Banner, Posters, etc.).** What I will need to know is what you desire for promotion (*See PAGE 6 for options*). **Please make sure that you have double checked all your text and info before you send it to me so we do not have to go back and forth proofing it.*

AVAILABLE TIME TO SHARE:

Because I work full-time with the ministry of Calvary Curriculum, am on pastoral staff at a church, and work as a graphic designer, my time to go out and teach is limited. Please contact me for availability.

"The 'Dragons, Dinosaurs, and the Bible' presentation was entertaining, engaging, and informative. It completely captured the attention of all the kids and adults in attendance."

- **Dr. Joseph Holden** (Senior Pastor - Calvary Chapel Temecula Valley)

"We loved Dragons, Dinosaurs and the Bible! We were engaged and enthralled by the amazing professional graphics and fascinating content. We learned so much about the Biblical and historical cases for dinosaurs and their interactions with humans. As a homeschooling family, this was an exciting educational experience which launched great discussions and further understanding of the Bible, science, history, ancient art and archeology as it pertains to dinosaurs!

We would bring our children again and again!" - **Caprice Bachor** (Homeschooling Mom of 4)

"We were so impressed with Matt's presentation... It was extremely fun, interactive, and informative! Everyone, young and old alike, learned something new and exciting about Dragons, Dinosaurs, and the Bible!"

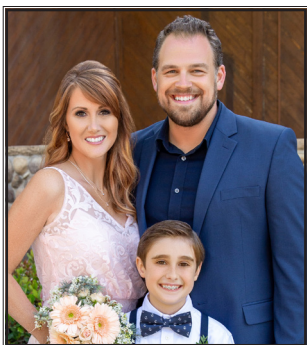

- **Pastor Garid Beeler** (Senior Pastor - Vision City Church)

"I am absolutely blown away by how amazing the presentation is. I am so impressed with how it truly engages all ages. The verbal/written info intrigues the older kids/adults but the visuals capture and maintain the attention of the littles.

Seriously impressed." - **Andrea Dahdouh** (Upper Elementary Teacher - Charles Bursch Elementary)

MAIN REASONS CHRISTIANS ARE SKEPTICAL ABOUT DINOSAURS LIVING WITH MAN

- DINOSAURS DIED OUT 65 MILLION YEARS AGO
- "DINOSAUR" DOESN'T APPEAR IN THE BIBLE

WHEN WAS THE WORD DINOSAUR CREATED?

A 1827 C 1841
 B 1835 D 1852

THERE ARE USUALLY 3 QUESTIONS ASKED ABOUT DINOSAURS & THE BIBLE

- WHY DOESN'T THE CREATION ACCOUNT MENTION DINOSAURS?
- WERE DINOSAURS ON THE ARK?
- WHY AREN'T DINOSAURS MENTIONED AT ALL IN THE BIBLE?

GREEK HISTORIAN HERODOTUS
 MID 4TH CENTURY

"There is a place in Arabia, situated very near the city of Buto, to which I went, on hearing of some winged serpents; and when I arrived there, I saw bones and spines of serpents, in such quantities as it would be impossible to describe. The form of the serpent is like that of the water-snake; but he has wings without feathers, and as like as possible to the wings of a bat"

Herodotus, 1850, pp. 75-56

"It seems to me easier to suppose that time has enfeebled the utterance of these tales until the original appearance is almost unrecognizable... less hard to believe that those wonderful stories of... dragons and monsters of all descriptions are transformations than to believe them to be inventions."

JOB 41:18-21
 NKJV

"His sneezings flash forth light, And his eyes are like the eyelids of the morning. Out of his mouth go burning lights; Sparks of fire shoot out. Smoke goes out of his nostrils, As from a boiling pot and burning rushes. His breath kindles coals, and a flame goes out of his mouth."
